

Bumblebee Oasis Junk Craft Activity

What you will need:

- A selection of junk, such as old cereal boxes, juice cartons, sweet wrappers, bits of fabric, ribbon, old magazines or newspapers, etc.
- Scissors
- Glue or sticky tape
- Paint or colouring in pens

Instructions

1. Gather together as much junk as you can – try looking in your recycling bin.
2. Now use your imagination to turn the junk into a buzzing bumblebee oasis!
You will need to make some flowers for the bees to feed on, a nest for them to live in and most importantly, you'll need to make some bees!

Once you have finished your oasis might look something like this.
